2006 Comparative Regionalism Project International Conference

比較の中の東アジア地域主義 The Dynamics of East Asian Regionalism in Comparative Perspective - Private-led Regionalism ?-

2006

7/15 (Sat) 13:30-17:30

7/16 (Sun) 9:00-18:00

Free(入場無料) Working Language: English(英語)

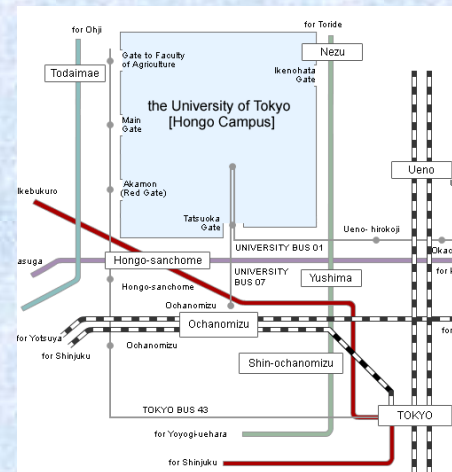

東京大学 本郷キャンパス 小柴ホール(理学部1号館)
Koshiba Hall, Faculty of Science Building 1
Hongo Campus, University of Tokyo

The Aim of the CREP International Conference

The 2006 CREP International Conference aims to identify the characteristics of East Asian regionalism by comparing them with those of European and the American regionalism from each perspective of Law, Politics and Economics.

We will also discuss possibilities of future institutionalization of East Asian Regionalism as well as challenges and prospects of East Asian Regionalism.
